Features

- 500 Users, 250000 Records big capacity

- Dual Cameras respectively for induction and verification

- Voice and LED Prompt guarantees best user experience

- Touch Screen for convenient and stable use

- USB Flash Drive Host, TCP/IP connectivity

- Useful web server function for convenient use and setting

- Samsung ARM platform CPU ensures the high verification speed

Specifications

CPU	Samsung 2440;400m ARM
Memory	500
Record Capacity	250,000 Records
Dimensions	215W x 150H x 52D (mm)
Authentication Method	PW,Facial,ID+Facial,RFID(optional)+Facial, FP(optional)+Facial],ID+Photo/Facial Photo
FRR	≥99% \ ≤0.01%
Recognition Speed	< 1s
Display Screen	3.5inch Touch Screen
Power Supply	Rated Voltage/Current DC12V/1A
RS232	9600~115200bps
Ethernet	10/100MEthernet，SupportTCP/IP
USB Host	1x Standard USB，1x mini USB
Display Language	English / Traditional Chinese
SD Card	MicroSD
Door Bell	Yes
Wiegand	Wiegand 26&34 In/Out
RFID	Optional
Operation Temperature	(-10℃) ~ 60℃
